Signs on the Road to Saving Money in Your Workers Compensation Program

- **P**: Prevention- zero injuries means lower premiums.
- **H**: Expedite treatment to the worker the day of the accident.
- **Y**: Good documentation and communication.
- **O**: Keep the claim friendly.
- **R**: Enforce safety rules. Don’t be afraid to send an employee home if he/she is violating safety rules.
- **W**: When litigated, send the Witnesses to the Court.
- **C**: Provide a “light duty/early” return to work program.
